WHAT ARE THE FEES FOR THIS PROGRAM AND WHEN ARE THEY DUE?

~ The total agency fee for professional services is \$23,850 ~
This does not include birth parent expenses, any necessary travel for adopting families, or attorney's fees for filing the adoption. Fees are due at the time services are received. Usually that is as follows:

\$750.00 Application Fee.

Payable when you turn in your application packet.

\$1,200.00 Adoption Education Fee.

This covers our two day seminar, consultation and education you will need to prepare your Dear Birth Parent album and other Dear Birth Parent materials. The fee is due when you register for the class, OR meet with us to develop the materials, whichever occurs first.

\$2,200.00 Home Study Fee.

Due and payable at the time of the home visit. Round-trip mileage is also charged directly to the family by the social worker at the federal rate, currently 48.5 cents per mile, round trip*. The family is to pay the worker directly at the time of the home visit.

*Outside the Portland Metro area, there is also a fee for travel time at \$20 per hour.

\$9,100.00 Match Fee.

Due and payable at the time a decision is reached by the birth and adoptive parents to work toward a placement. This fee solidifies the match and must be paid within 24 hours of the match. The match fee is non-refundable.

\$9,900.00 Placement Fee.

Due and payable when your child is placed in your physical custody, usually at the hospital, upon discharge.

\$650.00 Post Placement Fee.

Due and payable at the time of the post placement visit.

~ The total agency fee for professional services is \$23,800 ~

+ Birth Parent Expenses.

Birth parent expenses vary from one case to the next. At the time of the match, you will need to deposit funds with us sufficient to cover expenses we have already paid out on behalf of the birth parent, plus \$2,500 to cover anticipated expenses. We will send a statement monthly through the finalization of the adoption to keep you informed. If necessary, an invoice will accompany the statement to bring the available funds up to a minimum of \$1,000 or whatever is required for the next month's expenses. Before finalization of the adoption, we will refund to you the portion not used for expenses or invoice you for any remaining amount due. We will always give you our best estimate of a birth parent's anticipated expenses at the time we tell you about a potential match. Average expenses range from \$4,000-\$7,500, but may be higher or lower. It is typical for us to assist birth parents with their expenses one month post delivery for a vaginal delivery and six weeks for a cesarean birth.

The law allows us to assist birth parents with birth parent and baby medical expenses if not otherwise covered, maternity clothing and other necessities, basic transportation, lost wages replacement if needed, food, rent and utility assistance. We will be happy to discuss with you in detail our policy regarding birth parent expenses.

TOTAL ADOPTION COSTS (Fees + Birth Parent Expenses) MAY RANGE FROM AN EXTREMELY UNUSUAL LOW OF \$23,800 TO AN EXTRAORDINARY HIGH OF \$34,800. THE TYPICAL ADOPTION WILL BE BETWEEN \$27,800 AND \$31,300.

Fees must be received promptly within 48 hours of the time they become due. Any bank fees must be covered by the adopting family. We are happy to accept a wire transfer, a check, Visa or MasterCard. Due to the risk of loss, absolutely DO NOT

EVER send fees via the post office, even registered, certified, express or otherwise. If necessary use a carrier such as FedEx that requires a signature upon receipt.

If you have questions or concerns regarding our fees or any other aspect of this program, please feel free to call Vanessa at 503.233.1099, ext. 19 or email her at vgrace@heritageadoption.org. We are happy to provide you more information.
